THIS IS A LIFE CHANGING EXPERIENCE THAT EXCEEDS ALL OTHER COURSES

It has a personal impact on the practitioner who needs to be the container, educator, instrument, ally, facilitator, and model for the broken child. Come and do something for yourself, empower yourself so that you can be the best practitioner. Although this is a course that teaches skills in applying it with clients, the practitioner cannot distance him or herself from growing, integrating, and assimilating the wonderful techniques taught in this course.
